Note: The above scores now include the dropping of peoples current three worst scores as only 20 of the 23 rounds will count.

Congratulations: To Diane, Chris Gordon and Mike Cater all picking up their first points of the season an excellent way to finish. Congratulations also goes out Nigel for securing his 3rd place in the overall championship.

On the Move:

Next season it is hoped that the above championships will be run over selected dates of the BMCRC race calender and I will need details of Team pairings and Tuners and their riders (further details within bulletin). Thanks to everyone for an excellent season.

Next: Final Round 'Bemsee Dinner Dance' Great Dane Hotel, 27th November 1999.
