BMCRC "RK Graphics" MZ 250 Championship is over the 19 rounds dropping your worst scoring round. BMzRC Trophy Challenge covers Team, Viagra, PMT, Novice, Tuners and Individual competitions and only your best 12 scoring rounds of the 19 will count.

Note: Novice Trophy is scored separately, based on the riders finishing positions amongst themselves and not where they finished overall. Points scored will only count for the Novice Trophy and *not* for any other competition. In the overall MZ championship both scores have been adjusted as per Bemsee & BMzRC scoring rounds.
